

# ACTIVE COLLAGEN EFFECT

Significant, long-lasting improvement in skin condition. Firming effect, increased elasticity and improved skin condition.

Collagen is a protein and makes up to 30% of the body's protein. As we age, the body produces less and less collagen, which is why the skin loses its elasticity and wrinkles appear. The collagen used in **COLLAGEN NATURE ESSENCE Verisol®** is a patented and studied collagen.

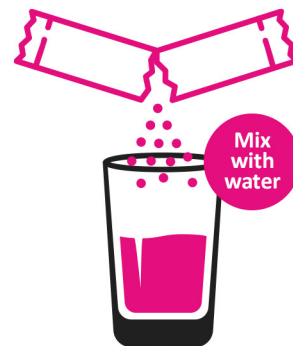

**NATURE ESSENCE COLLAGEN**  
economical pack of 30 x 5 g  
- a monthly treatment

# RESTORE YOUR SKIN'S FIRMNESS

**COLLAGEN IN SACHETS**  
5 g, daily dose in a convenient form

**NOTICEABLE REDUCTION IN SKIN TENSION AND ELASTICITY?**  
The solution may be **COLLAGEN NATURE ESSENCE**, constituting a diet supplement in components necessary to maintain optimal skin condition. Properly selected ingredients help maintain healthy, smooth skin.

**NATURE ESSENCE**  
COLLAGEN FOR YOUR BEAUTY

**COLLAGEN FOR YOUR BEAUTY**  
THE ESSENCE OF NATURE

thanks to the zinc content  
in our collagen.

## YOUR FIRST STEP FOR A BEAUTIFUL SKIN

Coenzyme Q10

Hyaluronic acid

Bioactive peptides

Collagen hydrolysate

Vitamin A

Vitamin C

Zinc

Copper

## NATURE ESSENCE COLLAGEN ACTIVE INGREDIENTS

### Coenzyme Q10

Perfectly influences oxygenation of cells and protects them against free radicals, rejuvenating our body. A substance necessary for the proper functioning of every cell. It participates in energy production processes, which is needed especially by skeletal muscles and the heart.

### Hyaluronic acid

Hyaluronic acid has rejuvenating properties by restoring proper hydration and firmness to the skin.

### Bioactive Collagen Peptides ®

Bioactive collagen peptides stimulate increased synthesis of connective tissue, collagen and proteoglycans.

### Collagen Hydrolysate - Verisol ®

Improves skin condition by forming collagen fibres in the skin. Effectiveness scientifically proven in preclinical and clinical studies.

### Retinol - Vitamin A

Vitamin A from beta carotene helps maintain healthy skin.

### Vitamin C

Protects cells from oxidative stress.

### Zinc

Important for skin, hair and nails.

### Copper

Increases our immunity and protects against free radicals.
